THOMAS SCIFRES
Head Coach

Dear Student-Athlete:

Let me give you some information about Iona College Men's and Women's Rowing. Iona College is located in New Rochelle, NY about 10 miles from Manhattan.

Our program has seen rapid improvement in the last three years in terms of dedication of the athletes, talent, equipment, and support from the school. The team has a new rowing tank and many new elite racing shells.

We are seeking to attract motivated student-athletes who want to be part of building a successful Division I program from both an academic and athletic point of view. I hope that this sounds like something you may be interested in.

Please check out our websites for more information about Iona College. Please feel free to contact me if you have any question about the school and our program.
