STUDENT AWARDS:

Rower Competitions: Speakmon Memorial Regatta American Heritage River Fall Classic

The NA Rowing teams have a history of tremendous success competing at regional and national events. At each competition, rowers may compete in several race categories with differing numbers of rowers in the boats and at varying levels of skill and experience. Awards were given to 58 team members for their accomplishments at two prestigious competitions.

NA rowers battled 55 teams from across the Midwest at the Speakmon Memorial Regatta in Columbus, OH, and claimed a slate of eight medals - four gold, two silver and two bronze.

The American Heritage River Fall Classic in Wyandotte, MI, brought together 24 college, high school and club teams from Pennsylvania, Ohio, Michigan, Illinois, Wisconsin and Ontario, Canada to compete. NA rowers captured five medals – two gold and three bronze
