North Allegheny earns medals

Thursday, October 7, 2004

Tiger rowers captured four gold medals at the intensely competitive Head of the Ohio Regatta held on Pittsburgh's Ohio and Allegheny Rivers, a major fall rowing race over a 2.8 mile course.

This year's event attracted more than 100 teams from high schools, colleges and clubs representing 14 states as well as Ontario, Canada.

The Tigers women's team and men's team each contributed two first place finishes and together had five other top-five finishes to round out a very successful day. North Allegheny women's high school eight plus, defeated 31 other teams in winning their gold medal. The Tigers will next be in action at the Jack Speakmon Memorial Regatta in Columbus, Ohio on Saturday, Oct. 30.
