Parent Tasks List

Supplies returning from travel

The need has come for the supplies that are used during traveling to regattas to be assigned. Each family will be assigned approximately 2-3 times per season to meet the Box Trailer upon arrival at NASH, take item home & return cleaned/filled to Bus in morning at next travel trip. This list is in addition to the Food list for travel. This list will be posted in Box Trailer beginning with Governor's Cup. **It is imperative that you take your item so we are ready for next race.**
